

**Summer Reading Program
at the Breese Public Library
July 1st - July 15th | Age 6-13**

This program takes place the first two weeks in July. Participants must register by June 1st to get a t-shirt. A Breese Public Library card is required to participate. For out-of-town residents, the cost for a library card is \$50 for a 6-month membership or \$100 for a one year membership. There is no cost to City of Breese residents.

Children will complete a scavenger hunt and fun reading challenges. This year's goody bag is themed "Reading Colors Your World" and will include rock painting, an acrylic paint set, a mini canvas, a light-up keychain, and more. The purpose of this program is to grow a child's love for the library, encourage a positive attitude about reading, and have fun with friends!

This year's program ends with a LIVE MAGIC SHOW at Hannah's Playground Pavilion in Breese on July 15th at 10am. This is where participants will receive their summer reading prizes and a t-shirt for all of their hard work!
